THE UNIVERSITY OF  
MICHIGAN  
LIBRARY  
ANN ARBOR, MICHIGAN  
1911

In the battle with the Fraternity Association, we were...  
 Big Chief Cummings realized that we could no longer be called "Tribesmen" as  
 the name Indians was selected for us, which name "promoted" in the  
 opinion of the hunting ground.

In assuming our responsibilities it was necessary for us  
 to organize. In our first the following officers were installed: Secretary,  
 Virginia Brown; Vice-President, Margaret Watson; Secretary-Treasurer, Ruth  
 Turner. The counselor was Miss Parker, who was a great help in securing  
 our first funds and checks. Representatives from the Fraternity were  
 called to help in all organizations in the land, thus reflecting the  
 spirit of the tribe. Two brave warriors of our tribe, Robert Turner  
 and David Brown, entered track, and were substitutes for the Indian  
 played football. Teresa Turpin played on the girls' basketball team.  
 The annual festival of the party was the outstanding event of the  
 year.

At the end of the year we had raised many dollars and were  
 fully prepared to enter usually into the Indian Hunting Ground.

September, 1934, found us...  
 ground. With the name of Indians restored upon us, we entered with all the  
 self-confidence and pride we were capable of. The Indian character, as shown  
 us, were Mr. Camden, Mr. Coffey, Miss Wingfield, and Miss Parker. The  
 officers were President, Martha Frances McFar; Vice-President, Ruth Turner;  
 Secretary-Treasurer, Robert Turner.

These groups of the year...  
 is various activities...  
 called the warriors to put forth a greater fight than ever. This battle was  
 in the first.

The outstanding warriors on the athletic field were Robert Turner,  
 David Brown, Teresa Turpin, and Pauline Martin. Robert retained his position  
 for being the best all-around man in the high school. It is probable, however,  
 Robert Turner, Teresa Turpin, Martha Frances McFar, Pauline Martin, and  
 David Brown a devoted place.

In April of our Indian play, a great Indian festival was held  
 when we lost with all our warriors, Margaret Watson.

The entire tribe were a vigorously a lively...  
 a great day for the school.

Our success in winning the first...  
 activities like the last section of the Big Chief's Hunting Ground  
 called "Beaver".

Through full-length dances...  
 ceremony. On our first...  
 Indian...  
 section of the hunting ground, our days of training were...  
 Indian...  
 was...  
 of...  
 of...  
 of...

### Synopsis

Judy, a Southern girl, raised on a large plantation, with never a contact with the outside world, is being forced into a marriage with her cousin, Andrew, who is twice her age. It is an unfair struggle, Judy against him. The situation is relieved by the arrival of visitors of the plantation including Aunt Deborah. She kidnaps Judy, takes her to New Orleans, and transfers her into a modern girl. Judy wins not only her desire to see the great outside world and a release from Andrew, but she finds real happiness in real life.
